### ABOUT CRISIL LIMITED AND CRISIL INFRASTRUCTURE ADVISORY

CRISIL Limited is a leading, agile and innovative global analytics company driven by its mission of making markets function better. It is India's foremost provider of ratings, data, research, analytics and solutions, with a strong track record of growth, culture of innovation and global footprint. It has delivered independent opinions, actionable insights, and efficient solutions to over 100,000 customers. It is majority owned by S&P Global Inc., a leading provider of transparent and independent ratings, benchmarks, analytics and data to the capital and commodity markets worldwide.

CRISIL Infrastructure Advisory is a leading advisor to regulators and governments, multilateral agencies, investors, and large public and private sector firms. It helps shape public policy and enable infrastructure development. Its services span a wide array of infrastructure development activities, and its work in the areas of policy formulation, regulation, design and implementation of public-private partnership (PPP) frameworks and infrastructure financing mechanisms helps create a vibrant ecosystem for infrastructure development. CRISIL Infrastructure Advisory's services at the project level include bid process management, valuations and due diligence to enable investment decisions, and it is known for its core values of independence and analytical rigor combined with deep domain expertise. Its teams have expertise across the complete range of infrastructure sectors – urban development, energy, transport and logistics, natural resources, education, and healthcare. It has a rich understanding of PPP and financing related issues and operates in India and 22 other emerging economies in Asia, Africa, and the Middle East. CRISIL Infrastructure Advisory is a division of CRISIL Risk and Infrastructure Solutions Limited, a wholly owned subsidiary of CRISIL Limited.
